The Katherine

This well-designed floor plan by Bent Pine is certain to draw a lot of attention. A welcoming Foyer entry into a large Great Room with 11' Ceilings opens to the Kitchen and Dining Area. The Dining Area is large enough to seat everyone.

The Kitchen has plenty of counter space, a walk-in Pantry and the island can be attached or free-standing overlooking the Great Room. The perfectly situated space off the foyer works as an office, a hobby room or den. The Master Bath features a glass walk-in shower, separate garden tub, his & hers closets and double sinks.

The large covered Lanai is perfect for outdoor entertaining. A Mud Room (with built-in storage) and separate Laundry Room are located off the 2-Car Garage.
